Funding Arrangement

The Funding Program

As a Home Caring franchise partner (or potential partner) the team at head office have negotiated a special finance program just for you. With CFI Finance you have streamlined access to up to \$85,000 in funding per territory*.

You are welcome to apply for funding above the pre-set amount, it just means CFI may require some additional information from you.

What Can The Funding Be Used for?

- New Territory setup
- Corporate office setup
- Equipment purchases
- Home Caring vehicle
- Business acquisitions
- Working capital / cash-flow

How it Works

- 1 Simply Apply Online with CFI Finance
- 2 Provide a quote or invoice for the equipment you want
- 3 Select your preferred finance options and term
- 4 Contracts are issued by email and executed electronically
- 5 Funds are dispersed and your contract starts

- Apply online in just 5 minutes
- Approvals within 24 Hours
- Flexible Terms

Types of Funding Available

Business Loan

Secured over the business rather than just individual assets, this is a flexible way to finance new business acquisitions or significant intangible assets.

Equipment Finance

Loans and Leases are available to fund specific assets used in your business.

Business Boost

CFI offers flexible short term cash loans up to \$50,000 for existing businesses. Funds can be used for just about anything including marketing, stock purchases or unexpected expenses.

How to Apply

Complete the online application form by clicking the below link. It should take just 5 minutes to complete (you will need a copy of your drivers licence and medicare card handy).
